

ELECTRICAL  
FURNITURE

**Pivot Eco**  
**Range**

This flip-up power unit fits horizontally into the work surface giving it the ability to tilt up exposing all the sockets.

The unit can be closed while the plugs are still attached freeing up work space.

A brush strip allows for the cables to exit the unit whilst in closed position.

Ideal for high-end boardroom tables.

Through wiring to allow for "daisy chain" installations via interconnect leads and splitter block.

## MODULES

### Power modules:

- Standby Switch
- Overload switch
- Circuit breaker
