

USB TYPE-C + USB-A 65W PD CHARGER MODULES

ELECTRICAL FURNITURE SPECIALISTS

This D4 combination USB-A + USB Type-C 65Watt Super-Speed Fast charger with intelligent digital LED Power Display is the ideal solution for charging two devices simultaneously.

FEATURES

- Intelligent digital LED Power Display indicating the Power Delivery (PD) charging in Watts, for the real time monitoring of the power output at a glance.
- Latest Fast Charging Technology USB Type-C, USB-IF Power Delivery (PD) and Qualcomm Quick Charge (QC) with Power Dynamic Allocation Function. This technology ensures that each device connected, has the optimum charging power level needed.
- Purpose Built for charging single power-hungry devices, such as Laptops or multiple electronic devices like Smartphones and Tablets without an external power supply, quickly and safely.
- The USB-A connector is Bi-directional, a feature unique to D4. This means that you can rotate the plug either way and it will still plug in first time.
- The USB Type-C is now the universal port on most electronic devices and is also Bi-directional.
- USB Type-C connector tested to meet the industry requirement to withstand over 10,000 insertions and withdrawals.
- Peace of mind with Temperature, Over Current, Over Voltage and Short Circuit Protection
- Can be integrated into any Powerset series from the D4 Range.

APPROVALS

- South Africa Letter of Authority LOA certificate number: 203221
- SANS IEC 60950-1
- SANS IEC 62368-1
- IEC 61000-3-2
- IEC 61000-3-3
- CISPIR 32: 2015
- CISPIR 35: 2016

Available without LED Display

COLOUR OPTIONS

- Available in Black and White.

SPECIFICATIONS

Power Source (Input) 180-240V / AC

Power Amperage 0.9A

Power Frequency 50/60 Hz

Single Output when used independently

USB Type-C 65Watts:

- PD : 5V/9V/12V/15V 3A and 20V 3.25A
- QC : 5V 3A 9V 2A 12V 1.5A

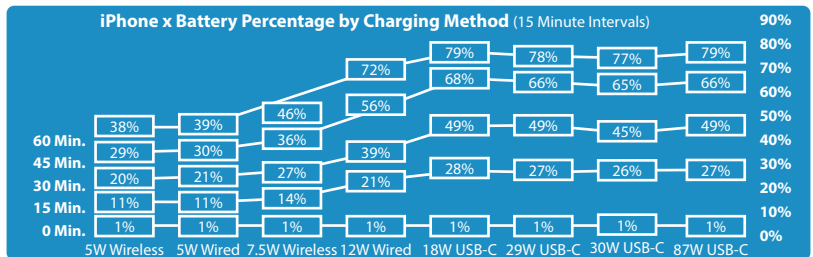

USB-A 18 Watts:

- QC : 5V 3A 9V 2A 12V 1.5A

Output when used simultaneously in fast charging

USB Type-C 45W + USB-A 18W = 63W

*the quality of cable is also an important factor to consider

Patents pending.
Designed and manufactured
in South Africa.
